RAILING

FINYL LINE™
PRODUCT INFORMATION

Finyl Line Vinyl Railing is easy to install and is reinforced with strong aluminum — designed to provide added safety. Choose from a traditional T-Top style or Deck Top profile to add a deck board to and create a flat “cocktail rail”. Available with three baluster styles (Square, Turned or Black Round Aluminum), two pre-assembled infill panels* (Chippendale and Freeport) or with an option that allows our Decorative Screen Panels** to be used as infills.

*Chippendale and Freeport pre-assembled infills available with T-Top profile only

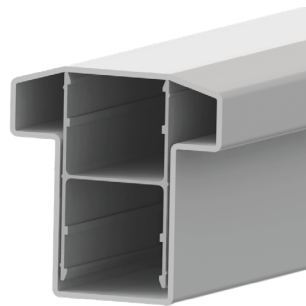

**Decorative Screen Panels sold separately

FEATURES & BENEFITS

- Deck Top rail allows for deck board to be easily turned into a flat “cocktail rail”
- Aluminum stiffeners reinforce top and bottom rails for added strength and support
- Decorative Screen Panel infill option offers increased customization with multiple designs and colors
- Brackets conceal all fasteners — providing a clean, finished look
- Transferable Limited Lifetime Warranty
