RAILING

FINYL LINE[™]

VINYL RAILING

Reinforced with metal strengtheners, stylish vinyl construction features versatile options, virtually zero upkeep and unmatched durability.

Customizable

T-Top and Deck Top rail profiles and multiple infill options available.

Added Safety

Top and bottom rails are reinforced with aluminum to provide added strength and safety.

Clean Design

Brackets conceal all fasteners, providing a clean, finished look.

FINYL LINE™

Create a truly tailored look with easy-to-install vinyl railing that features a spectrum of infill styles—from classic balusters to preassembled designer infills and patterned Decorative Screen Panels*. Beneath the smooth profile, hidden aluminum reinforcements enhance strength for long-term performance.

**Decorative Screen Panels sold separately.*

- Most customizable vinyl railing, offering multiple infill options
- Deck Top rail easily converts a deck board into a flat “cocktail rail”
- Aluminum-reinforced top and bottom rail add strength and safety
- Concealed fasteners provide a clean, finished look
- Kit provides a full railing system in one box
- Chippendale and Freeport infills come pre-assembled for fast, easy installation
- Engineered to resist moisture, mold, rot and warping
- Designed to incorporate optional LED lighting
- Designed to meet national residential (IRC) and commercial (IBC) codes*
**Consult local regulations for specific requirements*
- Transferable Limited Lifetime Warranty
- Proudly made in the USA
