RAILING

## PRIVACY RAIL™

### ALUMINUM RAILING

Mixed-material railing frames spaces with safety and style, offering full or semi-private options and design flexibility for a custom look.

#### Privacy Options

Full and semi-privacy design options offered.

#### Customizable

Adapter kit available to add Decorative Screen Panels to framing.

#### Rust Resistant

Premium powder coating on aluminum framing meets or exceeds AAMA 2604 specifications.

ClickConnect™

Patented ClickConnect technology locks vinyl infill boards together with ease to ensure code-compliant railing.

# PRIVACY RAIL™

Contemporary style meets durable strength in sleek aluminum frames that bring custom mixed-material design to life in private and semi-private outdoor spaces. Patented ClickConnect™ technology quickly locks infill boards into place, creating clean lines with lasting performance.
