RAILING

FUSION

COMPOSITE RAILING

The sleek look of aluminum in a bold, water-resistant composite profile guaranteed to never rot, peel, warp or flake.

Easy Install

Pre-assembled panels.

Modern Value

Strength and look of matte-finish aluminum with the value and durability of composite.

Clean Design

Brackets conceal all fasteners, providing a clean, finished look.

AlumiCast™
Technology

Groundbreaking AlumiCast™ delivers the comparable strength and look of aluminum with the value of composite.

Compositore®

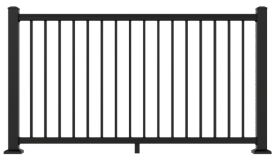

Compositore construction guarantees superior resistance to moisture, rot, warping, splintering, mold and stains.

FUSION

Durable, water-resistant composite rails capped with ground-breaking AlumiCast™ Technology frame views with the bold strength of Compositore® and sleek look of aluminum at a smart value. Pre-assembled panels are designed to install quickly and stay beautiful for decades.

- Strength and look of matte finish aluminum with the value and durability of composite
